PHILOSOPHY

The Edge Camp is about self-discovery through adventure-based activities. We seek to build a sense of physical and emotional safety through community and mutual trust. Each camper is asked to challenge their own beliefs and limitations. Adolescence is a time for learning about yourself. The Edge Camp seeks to help our campers realize they are only limited by their imaginations.

With increased confidence campers will be able to develop a sense of place. The Edge Camp includes activities designed to help campers understand their place in the ecosystem, the world and their community. Daily activities will include team building exercises as well as moments for personal reflection.

Sustainability, appreciation for nature, respect for one another and a belief in one's own abilities form the core of The Edge summer adventure. Along the way, we will share laughs and memories, as well as the splendor of the New England outdoors in the summer.

CANCELLATION POLICY

If camper cancels 21 days prior to camp, a full refund will be given. 14 days prior to camp, a \$15 administration fee will be assessed. 7 days or less, no refund will be given. There will be no refunds for missed days!

DISCLAIMER

In case of emergency, I understand every effort will be made to contact me (my spouse or next of kin). In the event I cannot be reached, I hereby give my permission to the physician selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for my child. I also understand all program policies, including those related to payment procedures.
