

CAMP MARIPOSA

WHERE KIDS TRANSFORM

Camp Mariposa New Hampshire is a free, weekend camp, run by Boys & Girls Club of Greater Nashua, for children ages 9-12 and now open to Teens ages 13-17 who are affected by the substance use disorder of a loved one. Youth attend camp four to six times a year and participate in fun, traditional camp activities along with education and support exercises to learn critical life skills and self-care.

Camp Mariposa helps youth:

- ▽ Reduce feelings of isolation and guilt
- ▽ Connect with friends facing similar circumstances
- ▽ Learn that addiction is a disease and not their fault
- ▽ Build confidence
- ▽ Learn critical life skills
- ▽ Have FUN!

Registration

To register a child, become a mentor or learn about the program, please contact Eric McCambly, Camp Mariposa Director, at emccambly@bgcn.com
