

Friel Memorial Award

This award started in 1994 after the passing of Jeanne Friel. The Friel Memorial Award is the most prestigious award that the Boys & Girls Club can bestow. The person or company who is recognized goes above and beyond for our Boys & Girls, not only for this golf tournament, but also for the organization. This award was established to celebrate Phil and Jeanne Friel, in recognition of their support of the Boys & Girls Club's annual golf tournament.
