

Organizational Safety Policies

Safe Environment Policy

Our vision is a community that is inclusive and where equal opportunities and equitable outcomes exist for all youth, no matter where their journeys begin. We are committed to developing and maintaining a diverse, equitable, and inclusive Club, where the voices of our members are amplified and where every member feels physically and emotionally safe. We do Whatever It Takes to ensure that our Club premises are safe, and that our staff have the training necessary to safely execute programs.

Responsibility of Employees to Report (Child) Abuse or Neglect Policy

Under New Hampshire law, any person who has reason to suspect that a child has been sexually, physically or psychologically abused or neglected is required to report to the State the suspected abuse or neglect. The report is to be made immediately upon forming the suspicion of abuse or neglect, and is to be followed by a written report within 48 hours.

Similarly, any person who has reason to believe that an incapacitated adult has been subjected to physical abuse, neglect or exploitation, or is living in hazardous conditions must orally report the suspected abuse, neglect or hazard to the State immediately. The oral report must be followed immediately by a written report. If the appropriate State office is not open, because it is a weekend or after hours, the report should be made to local law enforcement. Failure to comply with the above reporting requirements is a misdemeanor under New Hampshire law.

While this legal obligation falls on each employee individually, the Boys & Girls Club of Greater Nashua (BGCN) needs to know whenever your employment brings you into contact with any situation in which you suspect abuse or neglect of a child or incapacitated adult. In such circumstances, report your suspicions immediately to the Club's Primary Safety Lead. If the Club's Primary Safety Lead cannot be reached, report the matter immediately to the Club's Secondary Safety Lead. The Primary and/or Secondary Safety Lead will help the employee navigate the State reporting process and will also follow all Boys & Girls Clubs of America (BGCA) reporting guidelines. The Primary and/or Secondary Safety Lead will also inform the Executive Director.

Sometimes circumstances arise in which an employee suspects abuse or neglect, but he/she/they do not want to report for fear that filing the report may destroy his/her/their rapport with the family or individuals to which the employee is providing services. Failure to file a report of suspected abuse or neglect is a crime, and places both the employee and the Boys & Girls Club of Greater Nashua at risk. If you are struggling with a concern about possible abuse or neglect, you must discuss the matter at once with the Club's Safety Lead(s).

Personal Conduct Expectation Policy

In addition to expecting employees and volunteers to perform their jobs competently and reliably, the Boys & Girls Club of Greater Nashua expects employees and volunteers to conduct themselves in a professional, ethical, and responsible manner that reflects well upon the Boys & Girls Club of Greater Nashua. All employee actions and behaviors towards fellow employees, Club members, parents, community partners, and/or other key stakeholders should promote a spirit of cooperation, inclusivity, and respect. Failure to do so may lead to corrective action, including dismissal.

All staff and volunteer applicants are subject to an initial background check; all Club employees and volunteers are subject to an annual background check thereafter. Fingerprinting of all employees and volunteers who have direct, repetitive interaction with children as part of their roles will occur every five years. Background investigations may include, but are not limited to, verification of name/social security number, National Sex Offender search, state and federal criminal records and checks of any employee's driver's license; any offenses or convictions may prevent on-going employment or Club participation.

It is also expected that all members, staff, and volunteers engage in appropriate methods of conflict resolution, and respect the boundaries set by other members, staff, and/or volunteers.

No employee, volunteer, member, or any person on the Boys & Girls Club of Greater Nashua premises shall engage in any type of harassment towards any other person. Harassment occurs in a variety of situations, which share the common element of unwelcome comments or behavior that affects the workplace. Some examples of harassing behavior include but are not limited to:

- *Verbal* – innuendoes, comments or jokes emphasizing the personal identity of an individual, graphic comments, slurs, and unwanted flirtations or propositions.
- *Visual* – derogatory, demeaning, or suggestive postures regarding a person's identity, cards, cartoons, graffiti, drawings, gestures, objects.
- *Physical* – unwanted touching, impeding or blocking movement, physical interference with normal work, or assault.

Harassment does not include, for example, a compliment that does not make another employee feel uncomfortable or mutually acceptable conduct (i.e., two employees dating).

Sexual Harassment Defined

Sexual harassment is a form of discriminatory harassment and will be treated in accordance with the discriminatory harassment policy outlined above. Sexual harassment is defined as unwelcome conduct of a sexual nature when:

- Submission to such conduct is made, either explicitly or implicitly, a term of the individual's employment;
- Submission to or rejection of such conduct is used as the basis for employment decisions affecting the individual; or

- The conduct has the purpose or effect of unreasonably interfering with the individual's job performance or creating an intimidating, uncomfortable, hostile, or offensive working environment.

Examples of some of the kinds of conduct that violate our Sexual Harassment policy include:

- Sexual assaults, including rape and molestation, and attempts or threats to commit these assaults;
- Unwanted, intentional contact of a sexual nature, such as touching, pinching, patting, grabbing, kissing, brushing against or poking a person's body;
- Unwanted sexual advances, propositions or comments, including sexually oriented gestures, jokes or comments about a person's sexuality or sexual experience;
- Preferential treatment or the promise of preferential treatment to an employee for engaging in sexual conduct;
- Displaying or publicizing pictures, posters, reading materials, calendars, objects, etc. that are sexually suggestive, sexually demeaning or pornographic;
- Disciplining or retaliating against an employee in any way because he/she/they has resisted, reported, or complained about sexual harassment.

If you feel that you have been sexually harassed during the course of your employment, or if you believe you have witnessed another employee being sexually harassed, report your concerns immediately to your manager or the Executive Director.

Responsibility

Employees are encouraged to help eliminate harassing, and discriminatory behavior directed toward themselves and others by confronting the offenders directly and/or bringing it to their manager or the Executive Director's attention. Employees are responsible for respecting the right of their co-workers and discouraging all forms of unprofessional conduct. Each member of management is responsible for creating an atmosphere free from harassment and discrimination by setting a positive example and by remaining aware of what behaviors are occurring within his/her/their department.

Consequences

Any employee, volunteer, member, or any person on the Boys & Girls Club of Greater Nashua premises who is found to have engaged in discrimination, harassment or unprofessional conduct against another individual will be subject to appropriate corrective action, up to and including expulsion from the Club or termination of employment.

Staff shall immediately inform the Club Safety Lead(s) if a staff member, volunteer, or board member violates this one-on-one member contact policy. Should any adult staff, volunteer, or board member violate this policy, the Organization will take appropriate disciplinary action, up to and including termination.

Preventing Child Sexual Abuse, Sexual Misconduct and Sexual Exploitation Policy

It is the priority of the Boys & Girls Club of Greater Nashua to do Whatever It Takes to prevent child sexual abuse, sexual misconduct, and sexual exploitation.

The Boys & Girls Club of Greater Nashua prohibits and does not tolerate sexual abuse or misconduct in the workplace or during any organization-related activity. Those reasonably suspected or believed to have committed sexual abuse or misconduct will be appropriately disciplined, up to and including termination of employment or membership, as well as criminally prosecuted. No employee, volunteer, board member or other person, regardless of his or her title or position has the authority to commit or allow sexual abuse or misconduct.

- Direct or implied threats that submission to sexual advances will be a condition of employment or affiliation with the organization.

Reporting Procedure

Staff and volunteers are required to immediately report suspected sexual abuse or misconduct to their manager and/or Club Safety Lead(s). Managers must report all incidents they are made aware of to the Club Safety Lead(s). Club Safety Leads are to report any critical incidents to BGCA within 24 hours. It is not required to directly confront the person who is the source of the report, question, or complaint before notifying the individuals listed. BGCN will take every reasonable measure to ensure that those named in the complaint of misconduct, or individuals who are too closely associated with those involved in the complaint, are not part of the investigative team.

Anti-retaliation and False Allegations

BGCN prohibits retaliation made against any employee, volunteer, board member, or other person who lodges a good faith complaint of sexual abuse or misconduct or who participates in any related investigation. Making knowingly false or malicious accusations of sexual abuse or misconduct can have serious consequences for those who are wrongly accused. BGCN prohibits making false or malicious sexual misconduct allegations, as well as deliberately providing false information during an investigation. Anyone who violates this rule is subject to disciplinary action, up to and including termination of employment or membership and criminal prosecution.

Investigation and Follow-up

BGCN will take all allegations of sexual abuse or misconduct seriously and will promptly, thoroughly, and equitably investigate whether misconduct has taken place. The organization may utilize an outside third party to conduct an investigation of misconduct. BGCN will cooperate fully with any investigation conducted by law enforcement or other regulatory/protective service agencies. BGCN will make every reasonable effort to keep the matters involved in the allegation as confidential as possible while still allowing for a prompt and thorough investigation.

Reporting to Law Enforcement or Appropriate Child or Adult Protective Services:

BGCN is committed to following the state and federal legal requirements for reporting allegations or incidents of sexual abuse or misconduct to appropriate law enforcement and child or adult protective services organizations. It is the policy of BGCN not to attempt to investigate or assess the validity or credibility of an allegation of sexual or physical abuse as a condition before reporting the allegation to proper law enforcement authorities or protective services organizations.

Employee and Worker Screening and Selection

As part of its sexual abuse and misconduct prevention program, BGCN is committed to maintaining a diligent screening program for prospective and existing employees, volunteers and others that may have interaction with those employed by, associating with or serviced by BGCN. The organization may utilize a variety of methods of screening and selection, including but not limited to applications, personal interviews, criminal background checks and personal and professional references.

BGCN requires reference checks on any candidate for employment or volunteer with direct, repetitive interaction with young people prior to extending an offer for employment or volunteer service. A reference must be obtained from all Boys & Girls Clubs the potential staff/volunteer has worked or volunteered at previously. If the potential staff/volunteer does not meet any of the conditions outlined in Boys & Girls Clubs of America's (BGCA) membership requirements, they cannot be extended an offer of employment or be contracted for any volunteer services.

Anti-Bullying Policy

The Boys & Girls Club of Greater Nashua operates all activities, programs, and services with a zero-tolerance approach to bullying and other forms of victimizing. It is the Club's expectation that all members adhere to a policy of respectful behavior. The Club will do everything in its power to reduce the incidence of bullying and bully-type behaviors, and to proactively create an atmosphere of respect, tolerance, and dignity for every person in our community.

For purposes of the Club's environment and its expectations of its members, staff, and volunteers, Boys & Girls Clubs of America defines bullying as:

- An attack of intimidation toward another with the intention to cause fear, distress, or harm, that is either:
 - o Physical (e.g., hitting, punching, tripping, pushing)
 - o Verbal (e.g., name calling, teasing, hand signals or inappropriate gestures, yelling, using inappropriate language)
 - o Psychological/Relational (e.g. rumors, social exclusion, mind games, etc.)
 - o Digital (e.g. inappropriate comments on social media websites, posting photos without permission, etc.) "Cyber bullying" and other forms of electronic aggression are defined as bullying.
- A real or perceived imbalance of power between the "bully" and the victim.
- Repeated attacks or intimidation, no matter the severity, between the same youth over time.

Rectifying the Situation:

In cases where acts of bullying are witnessed or reported, either from the victim or a third-party, staff will immediately cease the situation, should the act be occurring.

In cases where alleged harassment behaviors are prolonged, continual, and/or combined with oral epithets, racial slurs, or other prohibited behaviors, staff will consider the situation to be a bullying offense. The Club staff will intervene in all bullying behavior that is brought to its attention or witnessed; counseling will be provided to all participants.

When bullying is witnessed or reported to any Boys & Girls Club employee or volunteer, and the alleged incident is found to be an actual case of bullying, the following will occur:

- All care will be taken to immediately interrupt any active incident of bullying
- Employee will make an oral report to the appropriate program area manager, within 24-hours of the alleged incident. Fact-finding will occur. Then the following steps will take place:
 - o Employee will submit a written report to his/her/their manager within 48-hours of the alleged incident; The manager will review the written report and pass it on to the Club Safety Lead(s)

Appropriate measures will be taken on a case-by-case basis to ensure that bullying behavior stops, and that all members feel emotionally and physically safe at the Boys & Girls Club of Greater Nashua.

Responsible Use of Technology Policy

Club Member Usage:

Before a member is allowed to use Club technology equipment or their personal device, both the member and his/her parent/guardian will need to read and sign the Technology Acceptable Use Policy and return it to the Club. Under the Technology Acceptable Use Policy, the following relevant principles shall apply:

The Club expressly prohibits the use of Club devices or personally owned devices in locker rooms, restrooms, and other areas where there is an expectation of privacy.

Appropriate use: Members may not use any technology to harass, threaten, demean, humiliate, intimidate, embarrass, or annoy their peers or others in their community. Any inappropriate use of a Club or personally owned device, as determined by Club staff, can lead to disciplinary action including but not limited to confiscation of the device, immediate suspension from the Club, termination of membership or other disciplinary actions determined to be appropriate to the Club's existing disciplinary policies including, if applicable, referral to local law enforcement.

Monitoring and inspection: Boys & Girls Club of Greater Nashua reserves the right to monitor, inspect, copy, and review any personally owned device that is brought to the Club. Parents/guardians will be notified before such an inspection takes place and may be present, at their choice, during the inspection. Parents/guardians may refuse to allow such inspections. If so, the member may be barred from bringing personally owned devices to the Club in the future.

Loss and damage: Members are responsible for keeping devices with them at all times. Staff are not responsible for the security and condition of the member's personal device. Furthermore, the Club is not liable for the loss, damage, misuse, or theft of any personally owned device brought to the Club.

Any inappropriate or unauthorized use of a Club or personally owned device, as determined by Club staff, can lead to disciplinary action including but not limited to confiscation of the device, immediate suspension from the Club, termination of membership or other disciplinary actions determined to be appropriate to the Club's existing disciplinary policies, including, if applicable, referral to local law enforcement.

Members must be aware of the appropriateness of communications when using Club or personally owned devices. Inappropriate communication is prohibited in any public or private messages, as well as material posted online. Inappropriate communication includes but is not limited to the following:

- Obscene, profane, lewd, vulgar, rude, inflammatory, threatening, or disrespectful language or images typed, posted, or spoken by members;
- Information that could cause damage to an individual or the Club community or create the danger of disruption of the Club environment;
- Personal attacks, including prejudicial or discriminatory attacks;
- Harassment (persistently acting in a manner that distresses or annoys another person) or stalking of others;
- Knowingly or recklessly posting false or defamatory information about a person or organization; or

If a member is told to stop sending communications, that member must cease the activity immediately.

Cyberbullying: Members may not utilize any technology to harass, threaten, demean, humiliate, intimidate, embarrass, or annoy their peers or others in their community. This behavior is cyberbullying, which is defined as bullying that takes place using emerging technologies and devices. Any cyberbullying that is determined to disrupt the safety and/or well-being of the Club, Club members, Club staff or community is subject to disciplinary action.

Furthermore, the Club shall not be liable for the loss, damage, misuse, or theft of any personally owned device brought to the Club.

Parental notification and responsibility: While the Boys & Girls Club of Greater Nashua Technology Acceptable Use Policy restricts the access of inappropriate material, supervision of internet usage might not always be possible. Due to the wide range of material available on the

internet, some material might not fit the particular values of members and/or their families. Because of this, it is not considered practical for Boys & Girls Club of Greater Nashua to monitor and enforce a wide range of social values in student use of the internet. If parents/guardians do not want members to access information beyond the scope of the Technology Acceptable Use Policy, they should instruct members not to access such materials.

The same rules and guidelines members are expected to follow offline, shall also be followed when online. Should a member behave online in a manner that violates the Boys & Girls Club of Greater Nashua Code of Conduct, that member shall face the same discipline policy and actions they would if their behavior had happened within the physical Club environment.

Club-owned-and-operated technology: Members are expected to follow the same rules and guidelines when using Club-owned technology. Club technology and systems are the property of the Club, are intended to be used for Club purposes and are to be used during approved times with appropriate supervision. Club members shall never access or use Club technology or systems without prior approval.

It is the responsibility of all staff, volunteers and members to ensure compliance with these guidelines and to create an atmosphere free of discrimination.

Reasonable Accommodations

As part of the Boys & Girls Club of Greater Nashua's commitment to provide an equitable place for all, we will reasonably accommodate an individual's religion and/or disability. This means we will make requested necessary accommodations that do not present an undue hardship to the Club.

The Boys & Girls Club of Nashua will reasonably accommodate employees and members who have disabilities that prevent or limit them from performing their jobs or participating in programs, unless the accommodation poses an undue hardship.

Disabilities include physical or mental impairments that substantially limit one or more of a person's major life activities. Major life activities include functions such as walking, seeing, hearing, speaking, breathing, thinking and working.

Reasonable accommodations include things the Club may do that are both reasonable and enable a disabled employee or member to satisfactorily perform essential job functions or participate in programming that he/she/they otherwise could not perform because of a disability.

Undue hardship refers to an undue hardship to the Boys & Girls Club of Greater Nashua. This policy applies to all employees.

Procedure to Secure a Reasonable Accommodation

1. An employee or member who believes that, because of a disability, they require an accommodation in order to perform their job or participate in programming should discuss the matter with their supervisor, the Safety Lead(s), or the Executive Director. The employee or member may bring the matter up in whatever manner he/she/they feel is most comfortable - either orally or in writing.
2. The employee or member should be prepared to discuss the nature and extent of any limitations on his/her/their ability to perform the job or participate in programming.
3. Whenever possible and if known, the employee or member should be prepared to discuss reasonable ways to accommodate those limitations in a manner that will enable him/her/them to perform the essential job functions or participate in programming.

The Club may require the employee to provide medical documentation in connection with a request for accommodation. Medical documentation requests may cover any of the following:

- The existence of a disability
- Determination of which of the employee's major life activities are substantially limited and the extent of the limitation
- Determination of which job duties may be limited or restricted and to what extent
- Determination of workplace impediments that pose problems for the employee
- Identification of potential accommodations that could enable the employee to satisfactorily perform the job duties and an indication as to which accommodations are medically necessary

The Club will consider reasonable accommodations to the employee/member's disability that do not present an undue hardship. The Boys & Girls Club of Greater Nashua desires to treat each situation on an individual basis, taking into consideration the specific job and program requirements and the employee/member's particular limitations. Suggested accommodations may come from the employee/member, from the employee/member's treating physician or other sources. The Boys & Girls Club of Greater Nashua may also utilize external resources to identify potential reasonable accommodations. The Boys & Girls Club of Greater Nashua supports a constructive and collaborative dialogue to find an appropriate solution in each case.

The Boys & Girls Club of Greater Nashua will implement those accommodations that are best suited to the situation and that do not create an undue hardship for the Boys & Girls Club of Greater Nashua.

Once accommodations are implemented, the employee/member will be held to the same performance and personal conduct standards as are applied to other employees/members.

Accommodations should be evaluated periodically by the Boys & Girls Club of Greater Nashua and by the employee/member to ensure that they continue to be necessary and effective, and that they do not pose an undue hardship to the employee or the Club.

Employees will not be evaluated or in any way treated less favorably or penalized by the Club for having requested or utilized an accommodation. An employee whose disability is accommodated through a leave of absence or who does not work a full work schedule may have his/her/their compensation, prorated to reflect the period of active employment. Benefits may also be affected, consistent with the Club's benefits plan or program provisions, if the employee's status changes (e.g., going from full-time to part-time, or regular to leave of absence).

An employee who refuses to submit to such a search will be subject to corrective action, up to and including termination of employment. Any suspected illegal substances may be confiscated and the appropriate law enforcement agency may be notified.

If you are involved in an on-the-job accident, or your observed behavior raises a reasonable suspicion of drug or alcohol use, you may be required to submit to blood, urine, or other diagnostic tests to detect alcohol and/or controlled substances (or drug metabolites) in your system.
