DISCUSSING THE STATUS OF GIRLS IN OUR STATE

Our Senior Director of Advancement, Meghan Fitzgerald, recently participated in the New Hampshire Women's Foundation's nonprofit roundtable, "The Status of Girls in New Hampshire."

The discussion focused on data points and trends showing girl's health, safety, education, and economic security, and their implications on the state and local communities.

A big thank you to NHWF for providing grant funding for tuition assistance for our Early Learning Center!

GREATER GOOD

Parishioners at St. Mark the Evangelist Church generously donated household items for our neighbors moving into the newly opened "Monahan Manor Apartments".

We're grateful to have a part in connecting families with resources needed to thrive!
