

Newsletter, May 2024

We've hit that time of the year when we celebrate the accomplishments of our Club members with the **annual Youth of the Year Celebration and the meaningful contributions of our Club community with our Hall of Fame Induction.** You're invited to take a closer look at the Club's offerings and join us in this highlight celebration for the year. May is a busy month for our Club members with inside and outside activities. All of this is made possible with the significant support of our donors, volunteers, families, and the greater Nashua business community.
