

THE POWER OF YOUTH

A campaign for the Boys & Girls Club of Greater Nashua

WAYS TO GIVE

Many donors find that they can increase the size of their total gift if they make payments over time. Donors are encouraged to make pledges that span one to five years, gaining tax deductions for each year in which payments are made. Pledges will be scheduled to begin at your convenience.

Payments can be made in the following ways:

Gifts of Cash or Check

One-time gifts or payments towards long-term pledges can be made with checks made out to “The Boys & Girls Club of Greater Nashua”. Please note the “Capital Campaign” on the memo line of your check. They can be brought to the Club in person, or mailed to our address shown below.

Credit Card Payment

Gifts can be made via credit card by entering your preferred card information on the pledge form or by calling the Club. Credit card payments can be scheduled in one-time, monthly, quarterly, or annual increments.

Qualified IRA Distribution

Donors aged 70 ½ and older may make tax-free gifts (annual maximum of \$100,000) directly from an IRA to the Boys & Girls Club of Greater Nashua. Contact your investment professional to learn more!

Gifts of Appreciated Securities

Gifts of stocks and bonds may be donated with distinct advantages to the donor and the Boys and Girls Club of Greater Nashua. Contact us to transfer stocks in support of this campaign.

Employer-Matched Gift

There is no easier way to amplify the impact of your gift than by having your employer match your donation! Consult your employer to learn more.
