MAY IS MENTAL HEALTH AWARENESS MONTH

KAITLYN BANNISTER
Director of Social Emotional Wellness

With Club Since: 2021

Duties of Position & Department:
I oversee all our one-on-one counseling, behavioral support, social emotional and prevention programming, and I serve as a Camp Mariposa Clinician.

Importance of Her Team's Work:

Being able to provide social emotional resources to our Club members is something that I am very proud of. The Social Emotional team is always working to stay up to date with the latest resources for our members and their families.

What Mental Health Means to Her:

Mental health is not black and white. It is different for everyone. It is important to me because I get to be a part of our Club members' mental health journeys whether that is teaching them a new coping skill or meeting with them for counseling. I try to make mental health fun!
