Our Club kitchen is now under construction as part of The Power of YOUth capital campaign. Our completely renovated kitchen will feature state-of-the-art equipment, a walk-in fridge and freezer, and a larger serving area. Thank you to the Gupta Family Foundation for providing the funds needed to transform our kitchen; this project will allow us to move from serving 45,000+ to 75,000+ meals and snacks annually!

I am responsible for providing meals throughout the day for our members. Cooking is something that I love, and it's great to use that love to help feed our club members and share nutritional knowledge.

Vision for Food & Nutrition Program:
My vision for the food program involves upsizing. I want to turn this kitchen into a true dining hall, allowing us to provide a plethora of choices for our members and sustainably satisfy everyone.
