## CAPITAL CAMPAIGN CORNER

# THE POWER OF YOUTH

A campaign for the Boys & Girls Club of Greater Nashua

We are excited to share progress on our capital campaign, which includes vital repairs to the drainage systems in the Early Learning Center playground and the Teen Center's outdoor space. Additionally, we are undergoing a full renovation of the Club's locker rooms and pool bathrooms to enhance comfort for our members and all community members who use our pool! These improvements will create a safer and more welcoming environment for all the children and teens we serve.
