

BOYS & GIRLS CLUB  
OF GREATER NASHUA

## Newsletter, August 2025

This summer, our Club has been bursting with fun, friendship, and unforgettable adventures at camp. Together, our club kids have experienced a season of learning, growth, and joyful moments that will inspire them for years to come.

## Stories from Around the Club

### Summer Adventures Start Here!

Summer at the Club is filled with laughter, adventure, and new experiences at every turn. From exploring the great outdoors, engaging in hands-on learning, or enjoying time with friends through games and play, our members are building memories that will last a lifetime. The season is buzzing with fun, friendship, and discovery!

Here's a glimpse at just some of the fun taking place!

#### MAKING WAVES AT ELLACOYA

Members spent sunny days at **Ellacoya State Park**, swimming, playing beach games, and enjoying the fresh air. It was the perfect setting for making summer memories with friends!

#### SEAS THE DAY AT HAMPTON

Buckets, footballs, and big smiles! Our trips to **Hampton Beach** were packed with fun in the sun. Members had a blast splashing in the waves and relaxing by the shore!

## HOOKED ON FISHING

Our tweens and teens joined **NH Fish and Game's Let's Go Fishing** program to learn casting, knot tying, and how to ID fish before heading to Clough State Park. Weston reeled in the biggest catch of the day at 3.83 lbs!

## KIDDING AROUND AT KIDS KOVE

Younger members had a fun-filled day at **Kids Kove**, climbing, sliding, and laughing through every minute. The playground offered the perfect backdrop for big energy and big fun!

## "BYE BYE, BUTTERFLIES!"

After weeks of caring for caterpillars and watching them transform, our **preschoolers released their butterflies** into nature. It was a magical, hands-on lesson in the life cycle and the beauty of change!

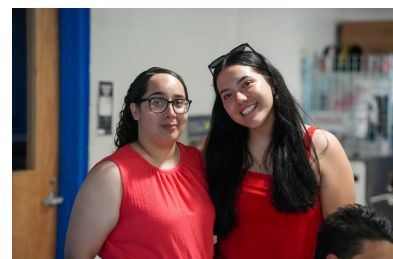

## BUGGING OUT

**Bug Catchers Club** members explored the outdoors with magnifying glasses in hand, building mini habitats and observing insects up close. They shared discoveries and followed their motto: **"Observe, don't disturb."**

## Congrats to our Scholars!

Our recent **Scholarship Social** brought together scholarship recipients and the donors who help make their education possible. Guests shared stories, built

connections, and celebrated the impact of giving.

This year, **21 students received a total of \$65,000 in support**. Congrats to all of our Alumni scholars, and a big thank you to the donors who invest in their futures!

## Calling All Alumni!

Remember the first-floor Gamesroom? We're giving it a much-needed update, and we want you to be part of it. With your support, we'll add new games, fresh paint, updated AV, and more. This revitalized space will give today's youth a place to connect, have fun, and create the same kind of lasting memories you did.

This project is part of **Alumni Care**, a new initiative within our **The Power of YOUth** capital campaign. It's a chance for alumni to help shape the Club's future.

**Alumni gifts of \$100 or more will be recognized in the Gamesroom.**

**Hear from fellow alumni and learn more about the project below.**
