## Newsletter, March 2026

March is here, and with it comes longer days, fresh energy, and plenty to look forward to at the Club! This month we're excited to celebrate new opportunities for learning, creativity, and connection. Thank you to our members, families, staff, and supporters who make our Club such a vibrant and welcoming place.

**Let's make it a fantastic month together!**

## Stories from Around the Club

### VALENTINE'S DAY FUN FOR ALL

Our members and staff celebrated **Valentine's Day** by spreading kindness, sharing valentines, enjoying sweet treats, and lifting each other up. From sweet notes to big smiles, the day was full of friendship, connection, and heart.

### SUPER BOWL. SUPER VOTE.

While the Patriots took 79% of the Club vote, our members and staff had a blast celebrating together. Football crafts, jersey coloring, games, pizza, and plenty of team gear made the day full of fun, no matter which team they were rooting for!

## WHERE ART MEETS EMPOWERMENT

Upper elementary and teens got creative at a **Brushstrokes of Hope** workshop! Led by Brianna Rolfs, youth explored **self-expression, built resilience, and connected with peers through art**, from canvas paintings to vision boards.

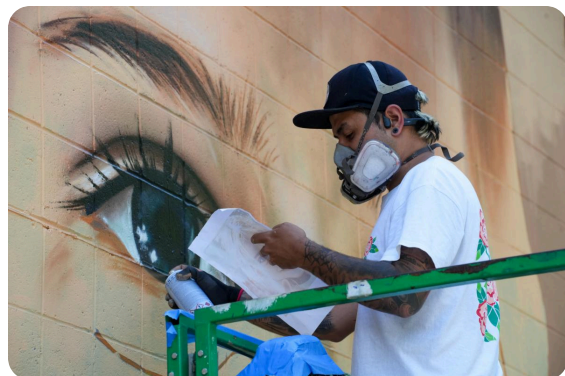

This hands-on experience helps members **grow confidence, practice life skills, and support their well-being**, bringing our mission to empower youth to life.

## STAFF VS. TEEN CENTER SHOWDOWN

Staff from ELC, Upper Elementary, Stahl Teen Center, and Admin faced off against our teens and tweens in a **lively basketball matchup**. Members cheered nonstop as staff came away with a narrow victory, but the real win was the energy, laughter, and connections on the court. **A rematch is already brewing!**

## MURALFEST 2026

**MuralFest** returns to the Club this April, bringing professional mural artists, Club youth, and community members **together for a 10-day public art celebration!**

Throughout the festival, artists will transform Club walls into vibrant works that reflect creativity, unity, and youth empowerment.

Our newly completed **Learner's Kitchen in the Stahl Teen Center** is now complete!

This newly renovated space offers hands-on opportunities for youth to explore cooking, nutrition, practice teamwork, and develop skills they can use every day.

The other half of the Teen Center is under construction and will soon expand learning, wellness, and recreation spaces for even more opportunities!

**YOU can make a difference! • No gift is too small!**

We're in the home stretch of **The Power of YOUTH** capital campaign as we work to raise the **final \$1 million**, and every gift matters, no matter the size.
