

BOYS & GIRLS CLUB
OF GREATER NASHUA

Newsletter, June 2026

This Club has been filled with meaningful moments, community connections, and exciting opportunities for our members, made possible through strong partnerships and community support. As we move into an energizing summer season, there is even more ahead as we continue to see young people grow in incredible ways.

Thank you to our partners, supporters, and families who make it all possible!

Stories from Around the Club

BROOKLYN VISITS THE STATE HOUSE 🏛️

We are incredibly proud of our **2026 Youth of the Year, Brooklyn Sanders**, who visited the **New Hampshire State House** and received an **official resolution** recognizing her outstanding achievements, leadership, and dedication. During her visit, Brooklyn toured the historic building, learned more about the legislative process, and connected with the four other exceptional candidates competing in this year's State Youth of the Year competition. While Brooklyn was not selected as the State Youth of the Year, she exemplifies what it means to be a Youth of the Year, and we could not be prouder of all she has achieved!

Partnership Spotlight

Main Street Private Wealth Management
Ameriprise Private Wealth Advisory Practice

Main Street Private Wealth Management is helping build brighter futures as a **Champion for Change Sponsor** of the Boys & Girls Club of Greater Nashua. Their commitment to supporting local youth reflects a shared belief in the importance of providing young people with opportunities to learn, grow, and reach their full potential. By investing in our mission, Main Street Private Wealth Management helps strengthen the programs and experiences that make a lasting difference in the lives of our members. We are thankful for their partnership and proud to have them as part of the community of supporters who help make our work possible every day.

BRINGING MUSIC TO LIFE 🎺

Our members recently enjoyed a special visit from **Symphony NH**, whose talented brass trio brought the excitement of live music directly to the Club. As part of the organization's **SNH Plays Back program**, youth had the opportunity to experience a live musical performance in an interactive setting while learning more about the instruments, musicians, and artistry behind the music.

Experiences like these help broaden horizons, inspire creativity, and introduce young people to new forms of artistic expression. We are grateful to Symphony NH for sharing their time and talents with our members and creating a memorable afternoon filled with music and learning.

INSPIRING A LOVE OF READING

Our Pre-K members recently enjoyed a special visit from Wee Read United, where Mrs. Steph brought storytime to life through interactive reading and engaging discussion. To continue the excitement at home, each child received a book of their own. Experiences like these help foster a love of reading while building important early literacy skills that support future learning.

FRESH FLAVORS IN THE MAKING

Upper Elementary members partnered with **Grow Nashua** for a hands-on cooking experience, making homemade salsa using fresh ingredients like strawberries, rhubarb, onions, and jalapeños. From preparation to tasting, youth got to explore healthy foods while working together outdoors. Opportunities like this highlight the importance of learning through experience, especially when it means getting outside, trying something new, and enjoying the season.

As our new **Youth Wellness Center** continues to take shape, members recently had the opportunity to explore the space and try out the new **Yogibo** furniture. It was exciting to see youth already making the space their own and enjoying an environment designed for relaxation, connection, and self-expression.

We are grateful to Yogibo for helping create this welcoming space for our members. Supporters can also receive **20% off** their Yogibo purchase using code **BGC20**. To learn more, visit yogibo.com.

WRESTLING REGISTRATION OPEN

Pride Elite Wrestling's summer season begins July 8, and registration is now open. Youth in grades K–8 are invited to build skills, confidence, and teamwork in a fun and supportive environment both on and off the mat.

TOGETHER IN THE COMMUNITY

ROCKLAND TRUST MAKES SUMMER COOLER 🕶️

We welcomed the **Rockland Trust** team to the Club for a day of connection and service. In addition to utilizing our space for meetings, team members volunteered their time to assemble **summer kits** filled with reading materials and essentials for our youth. We are grateful for their partnership and commitment to helping create meaningful opportunities and experiences for the youth we serve!

TRANSFORMING SPACES TOGETHER WITH FIDELITY 🧠

Fidelity Investments and the **WI Give Committee** joined us at the Club for their Transformation Day. After touring our newly refreshed spaces and murals, the group spent the day supporting projects across the Club, including organizing key areas, assisting with kitchen operations, and helping improve outdoor spaces for our members. We are grateful for Fidelity's continued partnership and commitment to helping create safe, welcoming, and inspiring spaces for our community!

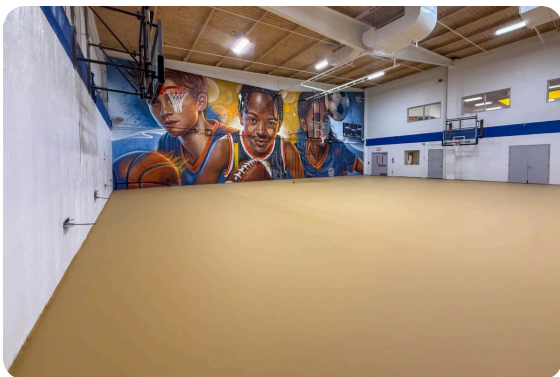

POSITIVE ACTION AT THE CLUB: COMMUNITY LEADERS

Positive Action is a structured, age-appropriate program offered at the Club that **supports social-emotional learning, character development, and healthy decision-making**. It is an evidence-based program designed for our Club members that uses **engaging lessons rooted in timeless principles to connect education, prevention, mental health, and family support**.

This month, we're highlighting our **Community Leaders!** As part of Torch Club, a youth leadership program where members take on real responsibility through service and community projects, these members identify challenges in their community, explore solutions, and work together to bring hope and positive change. In addition to their leadership work, they run the Club Snack Shack, using proceeds to give back and support meaningful initiatives.

CAPITAL CAMPAIGN CORNER

Work continues to move forward on our Capital Campaign improvements, including the installation of a new gym floor that will enhance the experience for our athletes and program participants for years to come. We are also excited about progress on the new Early Learning Center entrance, which will serve a dual purpose as the primary entrance for both our athletics programs and Youth Wellness Center.

These updates represent important steps in creating more accessible, welcoming, and functional spaces for the young people and families we serve.
