Capital Campaign: THE POWER OF YOUTH

A campaign for the Boys & Girls Club of Greater Nashua

We are in the midst of a capital campaign that will touch all areas of the Club. This is an exciting and much-needed major project that requires flexibility from Club staff, members, and families. We thank you for your patience! Please know that youth safety during the construction phase of this campaign is a priority for all Club staff.

This campaign will:

Enhance Safety: secured entry points, restricted internal access to visitors, a robust video monitoring system, and upgraded bathrooms and locker rooms

Expand Services: reorganization of space to increase the number of kids served in licensed childcare to 175 children daily, expansion of outdoor play spaces, new STEAM lab, increased family support

Improve Spaces: renovation of our original kitchen to increase serving capacity, addition of dedicated mental health suite, improved and updated program spaces

Upgrade Systems: replacement of the building systems that are past their usable lives, replacement of failing roof, improved drainage in outdoor spaces

Ensure Sustainability: investment in our Club's endowment fund to secure the future of the Club, its programs, and access to quality care for youth
